

# PREREQUISITES

## IBM Cloud Services

Team ID	PNT2022TMID41856
Project Title	Signs with smart connectivity for better road safety

## IBM Cloud Services

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Mano Ranjith M K's Acc...). Below the navigation bar, the main content area is titled 'Dashboard' and features a 'For you' section with several service tiles: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Explore IBM Cloud Shell' (Try a command-driven approach for creating, developing, and deploying a web project), 'Create and deploy an application' (Browse our starter kits, and then select one to jump start the process to create and deploy your app), 'Visit the IBM Cloud catalog' (Explore our unique product catalog that contains 190+ services and software for your business solutions), and 'Get started with Kubernetes' (Contains a way to package apps, and their dependencies, to allow seamless movement between environments). Each tile includes a 'Getting started' button and a time estimate. Below the 'For you' section, there are three more tiles: 'User access' (Manage users), 'News' (All About IBM Storage's Price and Supply Guarantee, IBM Tech Now: November 7, 2022), and 'Planned maintenance' (View all). A user menu is open on the right side, showing options like Profile, Log in to CLI and API, Privacy, Change theme, and Log out.

Welcome to Project! Delighted to...IBMCatalog - IBM Cloud
